

Ancestry Detectives

Silverton Genealogy Group

Welcome to Ancestry Detectives;

If you are interested in Genealogy or Family History we would love to have you come join us on the second Tuesday of the month, from 10:00 a.m. to noon, at the Silverton Library. We meet during the months of Sept - May, excluding December and the summer. Ancestry Detectives is not a club, there are no officers, there are no dues and you do not have to live in Silverton to join. The information you provide here is used for the group roster and group emails regarding Ancestry Detective news and meetings. Please bring this completed form to our meeting or send to: Kathy Valdez at:

kathleenvaldez@yahoo.com. We look forward to meeting you!

Name: _____

Full Address: _____

Phone # _____ E-Mail _____

Where would you place yourself in your genealogy knowledge and research?

Just Starting _____

A Beginner with some research _____

Advance Beginner _____

Intermediate _____

Advanced with more than 10 years of research _____

We formed Ancestry Detectives to help each other and learn new skills. Do you have some skills or knowledge that you would like to share with the group? If so please explain.

Any particular questions you have at this time?
